3. 4—Co-operative Societies—Miscellaneous—Rs. 60.

4. 7—Excise—Miscellaneous—Rs. 800.

Mr. M. P. Cherian.—I rise to move for a supplementary grant of Rs. 800 under 7—Excise—Miscellaneous. This amount together with a further sum of Rs. 1,000 represents the estimated cost of certain urgent repairs to the stills etc., in the Trichur Distillery found necessary during the course of the year. This expenditure was anticipated and provided for in the Departmental budget for this year but having regard to the financial situation, Government ordered that the works would be put off. Subsequently, however, it was found that the repairs could not be safely postponed and that they should be taken on hand forthwith to carry on the work. Out of a sum of Rs. 1,800 estimated for the works, Rs. 1,000 was made available by re-appropriation within the sanctioned budget allotment No further reappropriation is possible and hence this request for additional grant. I request that the House may be pleased to grant the same.

Demand put and carried.
